“ Dick, Irene, Rick and Laura and families, I was saddened to hear of Ellen's passing. I was just looking through her "Renderings" book and it reminded me of how talented she was with words. I think she is now dancing with the Angels. My sincerest sympathy to all of you. Love, Dale (Thomas) Labrecque

“ Irene & Dick, Rick and Laura, and all those who love Ellen, I am very sorry for your loss. She was such a special person, gifted in so many ways, and I remember how she touched my mothers heart with something she wrote. My mother always thought she was an angel on earth and I suspect you did as well. Now she can continue her angelic mission, free to roam free without effort and sprinkle her love to all those still here. Big hug to all of you!
