“ Dear Brenda, Kim and Jay,
We are so very sorry for your loss of Ethan. He was a wonderful son who touched many lives. He was the little brother that Jay watched over. His smile was contagious. He was an uncle who Vincent and Dominic looked up to. He will be greatly missed.

There is very special memory I would like to share.

In March of 2017 my Best friend Brenda came to visit me in Florida. She asked me if I would drive her to Fort Pierce so she could visit Ethan and his family. Of course I would that for my friend of close to 50 years.

Friday March 17th we drove to Fort Pierce. We checked into our hotel. Then headed over to Ethan's to begin our fun filled day. As we pulled up to the house Ethan was standing in the driveway with a huge smile on his face with Walter at his side. We got out of the car and he gave his mom a hug. He gave me a hug and thanked me for bringing his mom to see him.

Skyler and Riah came running and shouting Nana Brenda, Nana Brenda. They had so much they wanted to tell her about Florida. When Jonna got home from work we went out to have dinner.

The next morning we headed to Ethan's. He had planned a day full of activies for us. First we went to the Downtown Fort Pierce Farmer's Market. We spent over 2 hours there it was so hot. Brenda and I bought ourselves matching sun visors with a pink Flamingo on the brim. Nana Brenda let Syler and Riah pick out something they liked It was lunch time and one of Ethan's favorite places to eat was near the farmer's market. It was pet friendly so we could bring Walter. Ethan was correct when he told us how great the food would be .

We spent the afternoon at Walton Beach. It was such a beautiful afternoon. The

beach was pet friendly Walter was having a great time Skyler and Riah ran into the ocean. Shouting come on Nana Brenda the water is nice. Brenda rolled up her pant legs and walked into the water. Good thing we bought those sun visors we definitely needed them.

I sat on beach and chatted with Ethan. I told him how proud his mom and I were of him. He was such a wonderful father to Skyler and Riah.

It was getting close to sunset and we said would need to leave.

We went to Ethan were getting our things so we could leave. Ethan didn't want us to drive back. He said today is the day after St. Patrick's and there would lots drunks driving. He was very concerned about us. He didnt want us to get hit by a drunk diver.

Brenda told him we had to leave because we didn't have hotel room for that night. She also said she didn't have another set of clean clothes to wear tommorrow with her

Ethan smiled back and said mom we do have beds here and a washer and dryer. Then he laughed. He had convinced us to stay another night.

That night we played cards into the wee hours of the morning. It had been a wonderful day for a very special mom and her son and his family

The next morning we had to say our good byes.

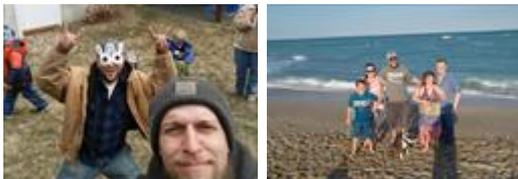

It was tough to leave we had a great time. Brenda hugged Ethan as Brenda was waving good bye tears filled her eyes. She thanked me for driving her to see Ethan and his family.

I had a wonderful time as well. I will always remember Ethan waving with that wonderful smile on his face.

“ Ethan was there for me in so many ways. He was my protector and my brother. Everything he did was with so much passion. This is so unreal. I thought we had so much time left! I have known Ethan for over 2 decades and every year it was a race to see who wished each other a happy birthday first! Our birthday will never be the same. Ethan I love you. My prayers and my love is with your family!

“ My connection with Ethan and his family was through his son. I worked with him in his school. Ethan was so devoted to him and helping him through past traumas. He was an incredible dad with patience that knew no boundaries. I have taught for over 50 years and he was one of the most caring dads I have ever met.
